EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with James Ledbetter on 9/25/06.

The application has been amended as follows:

Claim 10 should read as follows:

10. The radio communication method according to claim 9, wherein information on the data channel is received using the control information.

Claim 12 should read as follows:

12. The radio communication method according to claim 9, wherein step (b) comprises comparing a number of multicode required to receive information on the data channel indicated in the control information with a number of multicode that the radio mobile station is capable of receiving.

Claim 13 should read as follows:

13. The radio communication method according to claim 9, wherein step (b) comprises comparing a modulation scheme used in transmitting information on the data

channel indicated in the control information with a modulation scheme that the radio mobile station is capable of receiving.

Claims 1-13 are allowable over the prior arts of record. Each independent claim recites the feature of transmitting an ACK signal or a NACK signal for a data channel when control information is within a reception capability of a reception apparatus for the data channel and transmitting neither the ACK signal nor the NACK signal when the control information exceeds said reception capability.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Cynthia Britt whose telephone number is 571-272-3815. The examiner can normally be reached on Monday - Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Albert Decady can be reached on 571-272-3819. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
